A photograph of a park garden. In the foreground, there are several tall, green, blade-like plants, possibly irises, growing in a bed. A path leads through the garden, bordered by a low, dark metal fence. A person wearing a hat and light-colored clothing is sitting on a bench in the middle ground, looking towards the right. The background is filled with lush green trees and a red brick building. A white car is visible on a street in the distance. A black lamppost stands near the path.

Semântico

An abstract geometric pattern composed of various colored triangles. The colors include a deep red, a teal, a mustard yellow, a black, and a light grey. The triangles are arranged in a complex, non-repeating pattern, creating a sense of movement and depth. The overall effect is reminiscent of a modernist or Bauhaus style design.
